PLANT GROW GIVE

THE CLUB'S LARGEST FUND-RAISING efforts are the sale of produce grown in both the club market garden and members' home gardens and our annual Memorial Day weekend Plant & Tool Sale. The club is a 501(c)3 non-profit organization and also accepts tax-deductible contributions from members and the community. All proceeds are returned to the community in the form of grants.

APPLICATIONS ARE DUE JANUARY 15. Proposals are considered by the board of directors and voted on by club members before being awarded and funded in March. To apply, download the application from our website:

The Gallatin Gardeners Club is a 501(c)3 non-profit organization.

THE GALLATIN GARDENERS CLUB

is an inclusive group of gardening enthusiasts who grow home gardens and also plant, harvest and sell fresh produce from our market garden located on the MSU Horticulture farm. As a non-profit organization, we return all proceeds from market sales and other fund-raising activities to the community each year in the form of grants.

WE LIKE PLANTS

LEARN TO GROW

SPEAKERS ♦ TOURS ♦ GET-TOGETHERS

ON THE FIRST MONDAY OF EACH MONTH, September-June (2nd Monday on national holidays), the Club meets at 7p.m. at Hope Lutheran Church (off of S. 19th) to hear guest speakers discuss various aspects of gardening, landscaping and plant production in the valley. Past presentations have included GMOs, soil health, biological pest control, the biology of bees, and the challenges of commercial organic farming. In summer, we arrange tours of local gardens, farms and other sites of interest. We end the year with a group Christmas dinner. Guests are always welcome.

MARKET GARDEN

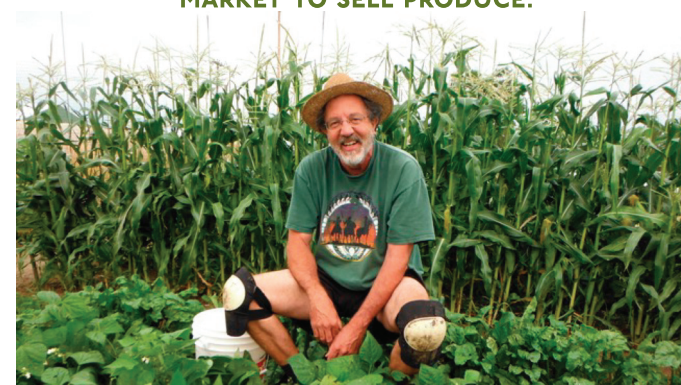

THE CLUB MARKET GARDEN

on the MSU Horticulture Farm becomes the focus for summer fun and fund-raising. We start our first seeds indoors, then move outdoors in late April when we roll out the irrigation tapes to prepare for planting. Many hands are needed throughout the summer as we plant, weed, harvest, and process more than 30 varieties of vegetables, as well as sunflowers and gladiolas, for sale at the Gallatin Valley Farmers Market.

GET YOUR HANDS DIRTY

THE CLUB WELCOMES EVERYONE TO JOIN IN ALL ASPECTS OF THE CLUB'S ACTIVITIES.

Arbor Day tree planting, April 2012

VOLUNTEERS ARE ALWAYS WELCOME TO HELP US IN THE GARDEN AND AT THE MARKET TO SELL PRODUCE.
